

The Gardens Tearooms is usually available to open outside our normal trading hours by arrangement.

However due to the personal circumstances of the owner, we will not be opening for night functions from February 2012 to July 2012.

We will be offering this service from August 2012 again.

Due to this the menu for evening functions has been removed from the website. We will look to have an updated one that will apply from August 2012 available by the end of May 2012.

Sorry to inconvenience anyone.
